**ANSWER KEY**

**READING COMPREHENSION (17 marks)**

**Questions (7 marks)**

Answer the questions below in your own words as far as possible. Marks will be deducted for copying directly from the text.

1. Why did Mike start skydiving? (2 marks)  
He was bored with everyday life and decided to try skydiving after seeing an advertisement for it on TV.
2. How did he feel before and during his first jump? (3 marks)  
At first he was nervous but soon after he felt more relaxed. During the jump itself he felt extremely excited/high/exhilarated or similar.
3. What caused his accident and why has he continued skydiving? (2 marks).  
He was nearly dead/ in an extremely bad condition. He has continued skydiving since then because it is his life.

**True or False? (4 marks)**

Read the sentences below and decide whether they are true or false according to the text.

Mark the true sentences with a **T** and the false sentences with an **F**.

1. Mike thought about skydiving for a long time before he booked a jump.  
F He booked a jump the very next day after seeing the TV advertisement.
2. After a day's skydiving, he was sure he was doing the right thing.  
F He thought he might be crazy to do it.
3. After his first jump, he didn't think he would do it again.  
F He was addicted to skydiving straight away.
4. During his free time, he thought about skydiving a lot.  
T

5. The only reason he wanted to get better after his accident was so that he could skydive again.

T
